

## General Practice Assistant Role

- HEE and NHSE have created an updated version of FAQ's which has been added to e-learning for Health here: <https://www.e-lfh.org.uk/programmes/general-practice-assistant/>
- Further additional guidance is also currently being developed and will be added to e-learning for health GPA page in the near future.
- Due to the recent inclusion of GPAs as part of the ARRS scheme, work is underway to expand the structured, accredited programme based on PCN demand. We expect that additional places will be available for trainees next year. If you wish to register your interest in the accredited route or have any further queries, please contact [transformation@hee.nhs.uk](mailto:transformation@hee.nhs.uk).
