Non-Clinical Training from Royal Trinity Hospice

- Death, dying and loss are part of life and affect all of us. Aside from our clinical training, Royal Trinity Hospice also provides a number of free workshops and training modules for anyone living within our catchment area to spark conversations and increase awareness of these important topics.

- The Power of Planning Ahead - In this module we will explore individual choices when it comes to future care, known as Anticipatory/Advance Care Planning and the power that comes with making a plan.

connect@royaltrinityhospice.london or or 0777 554 1848

- Let's Talk About Death - Find it hard to talk about death? You aren't alone. In this training we discuss why it is so hard to talk about, how we can tackle the elephant in the room and the benefits that come with having open and honest conversations.

connect@royaltrinityhospice.london or or 0777 554 1848

- Introduction to Bereavement, Grief and Loss - Grief is different for everyone. This module aims to share some useful theories around grief as well as guidance around supporting someone who is grieving

connect@royaltrinityhospice.london or or 0777 554 1848
